- Q What is your name? A. David L. Thompson.
Q How old are you? 23.
Q What is your post office? A. Tahlequah.
Q What district do you live in? A. Tahlequah.

Q Did you come here with the North Carolina Cherokees in 1861? A. Yes sir.

Q Is she a Cherokee or white woman.
Q White.
Q When were you married to her? A. In June.
Q Never married except to her? A. No sir.
Q Was she ever married except to you? A. No sir.
Q Have you a certificate of your marriage? A. No sir I have only this paper.
Q What was your wife's name when ye married her? A. Almestie Garrell

The applicant presents a marriage certificate showing that on the 24th of June, of the present year he and his wife, as stated by him, were married by Rev. Nicholas Hitting. This is filed herewith.

1896 roll, page 1240, No 3226, David L. Thompson, Tahlequah dist.

The applicant applies for the enrollment of himself and wife. He is shown to have been admitted as a North Carolina Cherokee in 1861. He has lived in the Cherokee Nation ever since; he is identified on the roll of 1896 as a Native Cherokee and he will be listed now for enrollment as a Cherokee by blood. His wife is a white woman; they were married in June of the present year; this is too late under the Cherokee law of 1896 for her to acquire rights of Cherokee citizenship by inter-marriage, and the application for her enrollment is therefore rejected.

Chas. van Vels states on oath that the reported in full the above proceedings and the same are a full, true and correct transcript of his stenographic notes therein.

Subscribed and sworn to before me this the 3rd of December, 1900.

The applicant applies for the enrollment of himself and wife. He is identified on the 1890 roll and 1894 roll as a Native Cherokee. He has lived in the Cherokee Nation all his life and he will be listed now for enrollment as a Cherokee by blood. He states that he was married to his wife on December 27th 1899, she is a white woman. They have lived together continuously ever since their marriage. He is not able at this time to furnish the Commission with a certificate of his marriage and is desirous to supply some in order to complete the permanent record of the application for his wife. The marriage having taken place after the passage of the Cherokee law of December 18 1898, it is too late to entitle her to enrollment at this time, and the application for her enrollment is therefore rejected.

Chas. von Weize on oath states that as stenographer to the Commission to the Five Civilized Tribes he reported in full all the proceedings in the above case and the same is a full, true and correct transcript of his stenographic notes therein.

THE RECORDS OF THIS OFFICE SHOW: That at Tahlequah, Indian Territory, December 3, 1900 application was received by the Commission to the Five Civilized Tribes for the enrollment of Frederick W. Gulager as a citizen by intermarriage of the Cherokee Nation. Further proceedings in the matter of said application were had at Muskogee, Indian Territory, October 17, 1902 and January 7, 1907.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Frederick W. Gulager, a white man, was married in accordance with Cherokee law January 29, 1869 to one Martha L. Gulager, nee Schrimpscher, who was at the time of said marriage a recognized citizen by blood of the Cherokee Nation, who is identified on the Cherokee authenticated tribal roll of 1880, Tahlequah District, Page 761 No. 800, as a native Cherokee, and whose name is included on the approved partial roll of citizens by blood of the Cherokee Nation opposite No. 14296; that since said marriage the said Frederick W. Gulager and Martha L. Gulager have resided together as husband and wife and continuously lived in the Cherokee Nation up to and including September 1, 1902. Said applicant is identified on the Cherokee authenticated tribal roll of 1880 and the Cherokee census roll of 1896 as an intermarried citizen of the Cherokee Nation.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States dated November 5, 1906 in the cases of Daniel Red Bird et al. vs. the United States, Nos. 125, 126, 127 and 128, the said applicant, Frederick W. Gulager, is entitled, under the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stats. 495), to enrollment as a citizen by intermarriage of the Cherokee Nation, and his application for enrollment as such is accordingly granted.

Dear Sir:

November 6, 1906, the United States Supreme Court held that white persons who intermarried with Cherokee citizens according to Cherokee law prior to November 1, 1876, are entitled to enrollment and allotments of land as citizens of the Cherokee Nation.

You are advised that to properly determine your right to enrollment as a citizen by intermarriage of the Cherokee Nation, it will be necessary for you to appear before the Commissioner for the purpose of giving testimony as to the date of your marriage and whether or not your wife, by reason of your marriage to whom you claim the right to enrollment as a citizen of the Cherokee Nation, was a recognized citizen of the Cherokee Nation at the time of your marriage to her, and whether or not you were married to her in accordance with Cherokee laws.

You are therefore directed to appear before the Commissioner at Muskogee, Indian Territory, at 9 o'clock A. M., on Saturday, January 5, 1907, and give testimony as above indicated.

Respectfully,

Sir:

The Department is in receipt from the local attorney for Elizabeth Payne of what is called an "appeal from the decision of the Commissioner of Indian Affairs of December 13, 1906" in the matter of Payne's application for enrolment as a citizen of the Cherokee Nation.

A motion for review in this case was denied in departmental letter to you of November 23, 1906. The Department is not aware of any decision of the Commissioner of Indian Affairs of December 13, 1906, and it is presumed the "appeal" is attempted from the notification by that office of the decision of the Department of November 23, 1906. However that may be, it is immaterial; the papers now presented furnish no reason for any modification of the decision of the Department adverse to the claimant. They do not require further consideration and have been sent to the Indian Office for its files. That office will advise the local attorney hereof.

Ellis Foreman was only your step-father? A No sir, I did not.

you? A No sir, I just have a faint recollection, when I was

Q Do you state to the Commission now that you have never heard,
or never had any reason to believe that Ellis Foreman was not
your father? A Never had any reason to believe he was not my
own father; he has clothed, educated, and raised me.
Q Did he always tell you he was your own father? A Yes sir.
Q You and Lewis M. Payne are living together now, are you?
A Yes sir.

By Commissioner T. B. And having made satisfactory proof of his residence he will be duly listed for enrollment as a Cherokee citizen by blood.

Green Still - 2 -

He presents satisfactory proof of marriage to one Minnie Strets, a non citizen, on the 3rd day of July, 1898. He avers that he was married about ten years ago to one Martha Bell, a non citizen. Also avers that she was living at the time of his marriage to his second wife, and that he never secured a divorce. He also avers that he has two children by his second wife, May and Geneva, and the name of the old one May, is found upon the census roll of 1896; the name of the younger child Geneva, does not appear upon the said roll, having been born after same was completed. It will be necessary for him to file with this Commission satisfactory proof of the birth of his younger child, Geneva Still.

My reason of applicant's making no proof of divorce from his first wife, Martha Bell, his application for the enrollment of his present wife Minnie Still will be refused. She will be rejected.

Final judgment as to the enrollment of his two children May and Geneva will be suspended, and their names will be placed on a doubtful card.

The undersigned being sworn states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

The records of the Commission further show that the above named applicants are the sons of one Green Still; that the said Green Still is a Cherokee by blood, is identified on the Cherokee authenticated tribal roll of 1880, Cherokee census roll of 1896, was listed by this Commission for enrollment as a Cherokee by blood on Cherokee card No. 89-9, and is included in a partial roll of Cherokees by blood approved by the Secretary of the Interior on March 2, 1904, opposite No. 2375, and that all three named applicants were born in 1900, and have continuously lived in the Cherokee Nation since birth.

COMMISSION TO THE FIVE CIVILIZED TRIBES

Department of the Interior,
Commission to the Five Civilized Tribes,
Stillwell, I.T., July 27, 1900.

In the matter of the application for the enrollment of McKinley Ross as a Cherokee by blood, by his mother, Ruth Flinn, who being duly sworn and examined by Commissioner Breckenridge, testified as follows:

- Q What is your name? A Ruth Flinn.
Q How old are you? A 21.
Q What is your post office? A Evansville, Ark.
Q What is your district, Flint district? A No, sir, Arkansas.
Q Do you live in Arkansas? A Yes, sir, I live in Arkansas.
Q Do you claim to be a citizen of the Cherokee Nation? A No, sir.
Q For whom do you make application for enrollment? A For my child.
Q Just your child? A Yes, sir.
Q Mrs. Flinn, it appears from the duly authenticated copy of the decree of divorce that on the 19th of May, 1900, you were granted a divorce from your late husband, Rufus Ross, by the Washington County, Arkansas, Circuit Court, sitting in Chancery at the Spring Term of said Court, and that you were granted the custody of the child for whom you now apply for enrollment. You apply for the enrollment of the child, McKinley Ross, I believe, do you? A Yes, sir.
Q You present a certificate of marriage showing that on January 17, 1897, you were married by Rev. J. D. Edwards, a minister of the Gospel, to Rufus Ross. This certificate is noted as having been duly recorded on the 20th of January, 1897, by J. B. Lynch, Clerk of the Flint district. You you apply for no rights for yourself, you are a white woman, are you? A Yes, sir.
Q And of course the child acquires no rights through you? A No, sir.
Q The certificate of the birth of this child which you present now shows that the child was born on May 27, 1897. Mrs. Flinn, you claim that the husband of yours, the father of this child, is a Cherokee, a duly enrolled citizen of the Cherokee Nation? A Yes, sir.
Q The Commission has not at present looked up the enrollment of the father because it appears from the documents which you have submitted there and which you are understood to admit are correct, that this child was born a little over four months after the marriage, and the Commission cannot consider it upon such evidence as entitled to acquire rights derived from its father, Rufus Ross, whatever his rights may be, it being the child of a mother who has no rights of herself. Therefore, Mrs. Flinn, the Commission is constrained to refuse the application for the enrollment of this child. Now I wish to say to you that if you wish to prosecute this matter further, you can submit any papers that you wish to the Commission, sending them to its office at Muskogee, and this decision, with any argument or papers that you care to submit will be forwarded to the Honorable Secretary of the Interior for his final approval or disapproval of the decision which we have come to. For the present we return all the papers to you.

Bruce O. Jones, being duly sworn, says that as stenographer to the Commission to the Five Civilized Tribes he reported the testimony of the above named witness, and that the foregoing is a full, true and correct translation of his stenographic notes.

Sworn to and subscribed before me this 27th day of July, 1900.

Bruce O. Jones
Upton H. ...
Commissioner.

Q What do you do for a living? A I am a farmer.
Q Are you married? A Yes.
Q How long has your wife been married to you?
A She is a citizen? A No sir.
Q Have you any certificates of marriage? A Yes.

By Commissioner T. B. Needles: The applicant presents a certificate of marriage, certifying that he was married to one Alice Brown, a citizen of the United States, on the 17th day of January, 1917.

✓ THE RECORDS FURTHER SHOW: That the names of said persons appear upon the Cherokee authenticated roll of 1880; that they possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875.

IT IS THEREFORE ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States, dated November 5, 1906, in the cases of Daniel Red Bird et al. vs. the United States, Nos. 125, 126, 127 and 128, said applicants are not entitled, under the provisions of Section 21 of the Act of Congress approved June 28, 1898 (30 Stats., 495), to enrollment as citizens by intermarriage of the Cherokee Nation, and their applications for enrollment as such are accordingly denied.

COMMISSIONER

Dated at Muskogee, Indian Territory,

this Jan. 10 1907

DEPARTMENT OF THE INTERIOR
BUREAU OF INDIAN AFFAIRS
WASHINGTON, D. C.
February 14, 1907.

February 14, 1907.

The Commissioner,

The Secretary of the Interior.

Sir:

On January 12, 1907, the Office transmitted the decision of the Commissioner to the Five Civilized Tribes relative to applications for the enrollment of Frank H. H. et al, as citizens by intermarriage of the Cherokee Nation. The decision included the specifications of seventy-two persons found by the Commissioner to be not entitled to enrollment under the decision of the Supreme Court of the United States in the case of *United States v. H. H. et al*, against the United States.

The Commissioner has the honor to acknowledge the receipt of your letter of the 10th inst. and in reply to inform you that the same has been forwarded to the proper authorities for their consideration. The Commissioner has the honor to acknowledge the receipt of your letter of the 10th inst. and in reply to inform you that the same has been forwarded to the proper authorities for their consideration. The Commissioner has the honor to acknowledge the receipt of your letter of the 10th inst. and in reply to inform you that the same has been forwarded to the proper authorities for their consideration.

and persons who are not entitled to enrollment being on the roll of 1880.

It is further provided that the names of persons who are not entitled to enrollment shall be removed from the roll of 1880, and the names of persons who are entitled to enrollment shall be placed on the roll of 1880, prior to the next session of the Court.

As the roll of 1880 was not entitled to enrollment of the Cherokee Nation, in accordance with the laws, usages and customs of the tribe prior to November 1, 1864, they are not entitled to enrollment, unless it be by virtue of their names being on the 1880 roll. By the provisions of section 2 of the Act of June 26, 1896 (29 Stat.L., 426), the roll of Cherokee citizens of 1880, not including freedmen, is now final, and the Commission is directed to enroll all persons whose names are found on that roll and their descendants born since the date of the roll. It is then provided that the rolls shall be examined and that the names of all persons found on the other rolls not placed thereon be found or without authority of law shall be enrolled.

The only question in the case now to be whether a copy of this roll by the Commission is a person whose name appears on that roll is entitled to a certificate of the roll, which would not be entitled to enrollment.

The Court of the Cherokee Nation was the

(1811-1812)

The fact that a service license had been issued to the deceased is a presumption that his military participation would have been complete work, and give the claim to the contrary must affirmatively show the facts.

.....
The evidence shows that the deceased sought, in his lifetime, to become a citizen of the Cherokee Nation, took all the steps he supposed necessary therefor, considered himself a citizen, and that the Cherokee Nation in his lifetime recognized him as a citizen and still asserts his citizenship. Held, that, under these circumstances, it must be assumed that he was a citizen by adoption, and consequently that the jurisdiction over the offenses charged is, by the laws of the United States and treaties with the Cherokee Nation, vested in the courts of that Nation.

In the case of Basile Ned Bird, et al., vs. the United States the Supreme Court said:

The roll of 1830, made by the Cherokees was a census roll, and its confirmation was not intended to create any rights which citizens of the Cherokee Nation had not before enjoyed, but merely to furnish the basis for making up the roll of citizenship. Section 21 was in reality a statement that no previous act of Congress was intended to confirm any other roll of the Cherokee Nation.

.....
Section 21 of the Act of July 1, 1828, says that no person whose name does not appear on the roll made by the Commissioner to the "Five Civilized Tribes" shall be entitled to any money payable to the United States out of the common fund of the Cherokee Nation. The roll was made by the Commissioner to the "Five Civilized Tribes" and was confirmed by the Cherokee Nation. It is a statement that no previous act of Congress was intended to confirm any other roll of the Cherokee Nation.

.....
The words of section 21, "no person whose name does not appear on the roll made by the Commissioner to the 'Five Civilized Tribes' shall be entitled to any money payable to the United States out of the common fund of the Cherokee Nation," are a statement that no previous act of Congress was intended to confirm any other roll of the Cherokee Nation.

From the foregoing questions it is evident that the Supreme Court makes a distinction between citizens having political rights only and those having all rights, including the right to share in the distribution of the land and other property of the Cherokee Nation. This being true, it is evident that Congress did not intend that any person should be given the right to share in the property of the Cherokee Nation simply because his name was on some roll of that Nation and had been confirmed by Congressional action unless it is shown as a full citizen and not as a citizen with political rights only.

The Office is of the opinion that the persons whose names appear in the record enclosed are not entitled to be enrolled as citizens by Intercession of the Cherokee Nation, and the approval of the Commissioner's adverse decision is recommended.

Very respectfully,

C. F. Lawrence,

Acting Commissioner.

Washington.

February 28, 1907.

Commissioner to the Five Civilized Tribes,

Washington, Indian Territory.

Sir:

On February 28, 1907 (Serial 2400), the Indian Office was advised your report dated January 12, 1907, in the matter of the applications for the enrollment of Frank Howard and seventy-two others as citizens by intermarriage of the Cherokee Nation, together with your decision, adverse to said applicants.

The Indian Office concurs in your recommended action. A copy of its letter is enclosed.

It appears that the names of said persons appear upon the Cherokee authenticated roll of 1906 and that they possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to December 3, 1893.

In view of the provisions of the Supreme Court of the United States dated December 3, 1893, in the case of Howard and others vs. the Cherokee Nation, it is considered that your decision

also, referred to these persons, is correct, and it is hereby
affirmed.

The papers in the case and a carbon copy thereof have been
sent to the Indian Office.

Respectfully,

Chas. Ryan,

First Assistant Secretary.

Nation up to and including September 1, 1906. Said applicant is
identified on the Cherokee authenticated tribal roll of 1906 and the
Cherokee census roll of 1906 as an unmarried citizen of the
Cherokee Nation.

Muskogee, Indian Territory, December 27, 1906.

John H. Abbott,

Tahlequah, Indian Territory.

Dear Sir:

November 6, 1906, the United States Supreme Court held that white persons who intermarried with Cherokee citizens according to Cherokee law prior to November 1, 1875, are entitled to enrollment and allotments of land as citizens of the Cherokee Nation.

You are advised that to properly determine your right to enrollment as a citizen by intermarriage of the Cherokee Nation, it will be necessary for you to appear before the Commissioner for the purpose of giving testimony as to the date of your marriage and whether or not your wife, by reason of your marriage to whom you claim the right to enrollment as a citizen of the Cherokee Nation, was a recognized citizen of the Cherokee Nation at the time of your marriage to her, and whether or not you were married to her in accordance with Cherokee laws.

You are therefore directed to appear before the Commissioner at Muskogee, Indian Territory, at 9 o'clock A. M., on Saturday, January 5, 1907, and give testimony as above indicated.

Respectfully,

S. V.

Acting Commissioner.

The Department's instructions of June 1, 1905 (I.T.D. 6240-1905), and October 2, 1905 (I.T.D. 12222-1905), as to the proceedings to be taken with reference to these persons have been complied with. Notice under date of March 1, 1906, of the information received as to the date of the death of the above named persons, was given by publication for four consecutive issues, the first issue being March 3, 1906, in "The Cherokee Advocate," a weekly newspaper of general circulation published at Tahlequah, Indian Territory. Attention was called to Section 31 of the Act of Congress approved July 1, 1902 (32 Stat., 716), and notice given to the heirs of the persons named, the administrators of their estates, or any other person having any interest in the estates of the decedents, that

Secretary--4.

the Commissioner would, at the expiration of sixty days from the date of the notice, recommend to the Secretary of the Interior the cancellation of the enrollment of said persons as citizens of the Cherokee Nation, unless conclusive evidence was presented to the effect that said persons were living on September 1, 1902. Each of the above named persons was shown to have been residing at the time of his death in the Recording District in which said paper is published, and notice of the Commissioner's proposed action was not, therefore, published in any other paper.

In addition to this notice a letter was on May 1, 1906, addressed to each of the above named persons, or his heirs, at his last known postoffice advising the information received, the law with reference to the making of the roll of citizens of the Cherokee Nation, and that unless conclusive evidence was presented within thirty days from date to the effect that the decedent was living September 1, 1902, the Commissioner would recommend to the Secretary of the Interior the cancellation of the enrollment of said person as a citizen of the Cherokee Nation.

No information having been received that any one of the above named persons was living September 1, 1902, it is respectfully recommended that their names be stricken from the

approved partial rolls of citizens and freedom of the Cherokee Nation in the possession of the Department and the Commissioner of Indian Affairs; that this office be authorized to strike their names from the copies of the approved partial rolls in its possession, and that the applications for their enrollment as citizens of the Cherokee Nation be dismissed.

Enrollment case of
Charles F. Burgess, et al.

AGO -9 1909

The Honorable

The Secretary of the Interior.

Sir:

Referring to Departmental letter of February 23, 1909, (D 6433), there is transmitted herewith a report of March 13, 1909, from the Acting Commissioner to the Five Civilized Tribes, relative to the Cherokee enrollment cases of Charles F. Burgess, et al.

It appears that the Department approved schedules of citizens of the Cherokee Nation by blood containing the names of Charles F. Burgess, No. 20707; Joseph H. Cloud, No. 22614; Angeline Duffield, No. 14390; James Harrell, No. 10197; and Mary E. Howard, No. 4668, and also approved a schedule of Cherokee freed men containing the name of Jeff Ballard, opposite No. 3708 thereon.

Afterwards it was ascertained by the Commissioner to the Five Civilized Tribes, from evidence submitted by relatives of the above named persons, and in some cases from testimony taken, that these persons died prior to September 1, 1902. In view of the provisions of section 26 of the Act of July 1, 1902 (32 Stat. L., 716), the Department on March 4, 1907, cancelled their names from the approved rolls.

The Acting Commissioner reports that no notice given to the applicants or their representatives relative to the adverse action of the Commissioner or of the Department. It appears,

however, from the record in the case of Jeff Ballard that a hearing was had at which his mother appeared and testified as to the date of his death. In the other cases affidavits of relatives were taken as to the death of the applicants. It seems, therefore, as if an opportunity to present evidence as to the death of the applicants was afforded the parties in interest.

Inasmuch as under the provisions of section 31 of the above mentioned Act persons who died prior to September 1, 1902 are not entitled to allotment of land or other tribal property, even if their names appear on the approved roll, the Office is of the opinion that these cases are not analogous to that of John E. Goldsby, decided by the Supreme Court of the United States on November 30, 1906 (211 U. S. 249), and recommends that the Department take no action looking to the restoration of these applicants to the status of enrolled citizens or freedmen of the Cherokee Nation.

The record in these cases is inclosed for your further information.

The Office will submit, by letters of even date, separate reports in the other cases mentioned in the letter of the Acting Commissioner to the Five Civilized Tribes.

Very respectfully,
(Signed) F. H. Abbott,
Acting Commissioner.

I have also listed for enrollment as citizens by blood. I have seen from the records that the said Elijah T. Wilson, whose name appears on the census roll of 1874 was married to Mary E. Wilson in the state of Georgia in the year 1874 and was not admitted with his wife to Cherokee citizenship in 1880 nor was he remarried after his wife's admission, consequently the application for his own enrollment will be rejected.

East.

N 1/2 of NW 1/4 of Section 13, Township 26, North, Range 15, East

Was all this land improved and all in your possession on

April 21, 1904?

A Yes sir.

Q Does anyone else claim any improvements on this land?

A No sir.

Q It appears that on the

N/2 of SE/4 of NW/4;
NE/4 of SW/4 of NW/4, of Section 11, Township 27, Range 16,
that a part of this land lies within a field belonging to the heirs of
Sarah Merrill. Have you made any arrangements with her in regard to what
would be the boundaries of your holdings?

A We did once, and she went back on her word. She agreed for me
to sell to as far as her fence, and one day she sent her boy down to
the house and says, "We will just have half and half, and that open
place, the lane, we will just leave it that way", and so we just left
it that way. She never moved her fence, and I never moved mine. We just
left it open.

Q Now, it appears that you are claiming land that runs up into
her field?

A Does it? Well, it is an open place. I never fenced it, and
she never moved her fence further south, and I never moved mine north.

Q In Section 27 there appears to be a fence on the SE/4 of
the NE/4 of the NW/4, which belongs to William Fisto, does that fence
remain there? A Yes, he moved a fence. There is somebody else
owns it now.

Q But there is no fence on that except this? one of yours?

A Just mine, yes, just my fence between.

Q On the W/2 of the E/4 of the SW/4, there appears to be a
fence dividing your field, shown to belong to William Fisto. To whom does
that fence belong? A Well, to Fisto. It runs right up to his
orchard. The west string of fence is not mine at all, but I am going to
put my own fence there.

Q In your application for surplus land you have included that
fence? A No, just that piece of land joining to his.

Q And the improvements you claim on that piece of land then
consist only of your cultivation? A Yes, that is all.

Q The N/2 of the SE/4 of Section 13, Township 27, North, Range
16, East, it is shown by our plats to belong to John Kimbro. Is that
correct? A His house is south of that right on the bank of the river.

Q Does he own anything else there besides his house?

A I guess he has some fence there.

Q You don't know how much? A No, I don't know how much.

Q Do you know how close your improvements run to the river?

A I couldn't tell you just how many yards or how many feet.

It is close though.

Q The NE/4 of NW/4 and the N/2 of NW/4 of NW/4 of Section 11,
Township 26, North, Range 15, East, is shown to belong to J. R. Stout.
Is that correct? A It belongs to me.

Q There appears to be a lane running through this line, with a
pasture on the north side. Is that yours? A Yes sir.

Q Does the field on the south side of the lane belong to you?

A No sir.

Q Who does that belong to?

A Susie Stout.

Q The E/2 of the NW/4 of Section 13, Township 26, North, Range
15, East appears to belong to Lillie Smith. Is that right?

A No, that is what I give in a while ago don't belong to
Lillie Smith, where those peach trees are, and the little round hill.
She wants it, though, she wants to buy it from me.

Q This is shown to lie in a large enclosure. Is that correct,
the east fenced off? A It is all my fence. She just joined onto my
fence.

Q Is that land all under your fence, that eighty acres there?
A Yes sir.
Q Is your fence on it? Is your fence close to that land?
A Yes, her land on the south just outside of the fence.
Q Your fence runs along the boundaries of this eighty, does it?
A Yes sir.
Q When was that fence put there? A I can't tell you how long it has been there. It was there though when they were running off the lines. It was there then.
Q Has that fence been torn down at any time between you and Lillie Smith? A Yes, she tore her fence down. There used to be a lane there, a little lane. She had her fence moved and joined onto mine.
Q Do you desire that an allotment for any of your family be made out of the land you have designated as your surplus?
A Yes, I have.
Q Where is the land which you desire to take as his allotment?
A (Applicant indicates Sections 34, Township 27, North, Range 16, East.)
Q Do you know the exact description of the land you wish him to file on?
A I can't tell you now. I have it marked off, and will send it to you.
Q You desire the reservation be made subject to his selection of his allotment in Section 34, do you?
A Yes, where that house is, that is, south of the house.

STATEMENT:

The allotments selected by Amanda Wilson for herself and her grandson, Robert Newcomb, appear to lie entirely within a field shown by the Commission's improvement plats prepared July 29, 1902, to belong to Amanda Wilson.

Of the land designated as her surplus holdings, the S/2 of NW/4 of Section 26, Township 27, North, Range 16, East, appears to lie within her improvement, except that on the N/2 of the SE/4 of the NW/4 and the NE/4 of the SW/4 of the NW/4 there appears to be a fence belonging to the heirs of Sarah Merrill, which cuts off about 12 acres of land into their enclosure. The land on the south side of the fence appears to be a pasture, being enclosed by the above mentioned fence on the north; Amanda Wilson's fence on the south and west, and the river on the east. This pasture is shown to belong to Amanda Wilson.

This plat was prepared August 6, 1902.

The improvement plat of Section 27, Township 27, North, Range 16, East, shows that on the SE/4 of the NE/4 of the NE/4 there was a fence enclosing about six acres into a field, which belonged to William Fisto. The remainder of the land and the fence enclosing same is shown to belong to Amanda Wilson. In her testimony she stated that Fisto's fence had been removed. On the W/2 of E/2 of SW/4 there appears to be a fence beginning at a point about two chains east of the north boundary and running to a point about six chains ~~south~~ east of the south boundary, dividing fields of Amanda Wilson's and Fisto. She states in her testimony that this fence belongs to Fisto, and she claims only the cultivated land on her side of the fence.

On the SW/4 of SE/4 of SW/4 she appears to have another fence running east and west and about six acres of this subdivision are in her field.

All of the land designated in Section 34, Township 27, North, Range 16, East, appears to lie within her improvement. The N/2 of the NE/4 of the NE/4 and the NW/4 of the NE/4 appear to be in a pasture, of which the latter forms the south boundary. The remainder of the land is largely in cultivation and contains substantial improvements.

The NE/4 of Section 33, appears to lie within a field belonging to Amanda Wilson, and the N/2 of the SE/4 is shown to belong to John Kimbro. It is not very definite as to where the boundary line between Amanda Wilson and John Kimbro lies.

Sectional diagrams of Sections 33 and 34 were prepared in July, 1902. The land designated in Sections 1, 3, 9 and 12 of Township 26, North, Range 1, appear to lie within enclosures belonging to Amanda Wilson. The land in sections 2, 8 and 11 appear to be in cultivation, and the land in 12 to be in pasture. These plats were prepared in January, 1903.

The N/2 of NW/4 of Section 15, Township 26, North Range 16, East, is shown to lie within a meadow belonging to Lillie Smith, except the W/2 of the NW/4 of the NW/4, which appears to lie outside. This plat was prepared January 3, 1903.

There appears to have been a fence indicated enclosing practically all of the above described tract, but this has been erased from the plat. If that part designated in Section 11, Township 26, North, Range 16, East, the N/2 of the N/2 of the NW/4 appears to lie almost entirely within a pasture shown to belong to J. K. Stout. Amanda Wilson's testimony seems very clear that this is an error, and that the pasture belongs to her. She does not, however, claim to own anything south of the lane which divides this pasture from a field on the south, which is shown to belong to John H. Stout.

About fifteen acres of this field and the fence on the north and east sides thereof, lie in the S/4 of the SE/4 of the NW/4. There is no date to this plat.

None of this land appears to have been applied for.

of the Act of Congress approved April 21, 1904.

Commission testified as follows:

Q What is your name?

A Missie Stout.

Q. What is your age?

A Forty-three.

Q What is your postoffice address?

A Novata.

Q Are you a Delaware Cherokee citizen of the Cherokee Nation?

A Yes sir.

Q It appears that on the 23rd day of August, 1904, Amanda Wilson, a Delaware Cherokee Citizen, appeared at this office and designated the S2 of the NE4 of the NW4 of Section 11, Township 26 North, Range 15 East of the Indian Meridian, as a part of the land upon which she holds improvements and claimed the right to dispose of under the provisions of the act of Congress approved April/21, 1904--she stated that she owned improvements on the same--is that correct?

A Yes sir.

Q The improvement plats made under the direction of the Commission show that John R. Stout also owned improvements on this tract of land--is that correct?

A Yes sir.

Q. Are you the wife of the deceased John H. Stout?

A Yes sir.

Q How long has he owned the improvements on this tract of land?

A About 24 years.

Q About how long has Amanda Wilson owned the improvements on the north side of this tract of land?

A That fence has been there about fifteen years , as near as I can guess it.

Q You claim to own the greater portion of this particular tract of land, do you not, and to have a right to file on it?

A Yes sir.

STATEMENT.

The improvement plates made under the direction of the

Commission show that on the S2 of the NE4 of the NW4 of Section 11, Township 26 North, Range 15 East of the Indian Meridian there is a lane running through, leaving about four acres on the North side which is listed to John R. Stout-- but the testimony of Amanda Wilson and also of Susie Stout, wife of the deceased John R. Stout, shows that this land belonged to Amanda Wilson. The improvement plats further show that there is about fifteen acres in cultivation on the south side of the lane and listed to John R. Stout.

fully enrolled Delaware-Cherokee and entitled, under the Act of Con-

improvements and was in rightful possession of on April 21, 1904.

A part of the land designated by Amanda Wilson as her sur-
plus holdings appears to be claimed by other Cherokee citizens, and

Commissioner.

Muskogee, Indian Territory, September 25, 1908.

The Honorable,

The Secretary of the Interior.

Sir:

Referring to schedule No. 15 of citizens by blood of the Cherokee Nation, heretofore approved by the Department, I have the honor to report that the sex of Alma L. Guinn, appearing thereon opposite No. 1440, should appear as male instead of female.

On February 20, 1908, James L. Guinn, father of Alma L. Guinn, appeared before the Commission to the Five Civilized Tribes and testified that said Alma L. Guinn is a male instead of a female, as reported by the Commission. A copy of said testimony is inclosed herewith.

I, therefore, respectfully recommend that the copies of this schedule retained by the Department and in the Office of the Commissioner of Indian Affairs be corrected so that the sex of Alma L. Guinn, opposite No. 1440, will appear as male instead of female, that in the

-4-

column marked "Sex" the letter "M" be made to appear instead of the letter "Y", and that this office be authorized to make similar corrections on the copies in this office.

Respectfully,

The name of James Welch appears on the authenticated 1880 roll and on the census roll of 1896. It is averred that he has one child, Maudie by his marriage to Cynthia A. McGee who is the mother of said child, and whose name appears on the authenticated 1880 roll as Cynthia Ann McGee. That are both identified and satisfactory proof as to residence is introduced, consequently the said James Welch will be listed for enrollment as a Cherokee by blood, and his child Maudie will also be listed for enrollment as a Cherokee citizen by blood when satisfactory proof of its birth is presented to this Commission, its name not being on the census roll of 1896.

OFFICE OF INDIAN AFFAIRS,
WASHINGTON.

February 23, 1907.

The Honorable,

The Secretary of the Interior,

Sir:

I have the honor to transmit herewith a communication from the Commissioner to the Five Civilized Tribes, dated February 6, 1907, enclosing the record in the matter of the application of Sarah A. Thompson as a citizen of the Cherokee Nation by intermarriage, together with his decision of the same date, adverse to the applicant.

The record shows that application was made for the enrollment of Sarah A. Thompson as an intermarried citizen of the Cherokee Nation on December 4, 1900. Testimony was taken in support of the application October 18, 1902, and January 2, 1907. It appears that the applicant is a white woman and neither claims nor possesses any right to enrollment as a citizen of the Cherokee Nation other than such as she may have acquired by reason of her marriage to one James Wesley Thompson under the laws of the State of North Carolina in the year 1870. Thompson was not at that time a recognized citizen by blood of the Cherokee Nation, and did not become such until he was duly admitted to citizenship therein after his removal to the Cherokee Nation, December 3, 1900. The names of neither appear on the authenticated roll of 1890. She did not marry in accordance with Cherokee law a citizen by blood of the Cherokee

Notice prior to November 1, 1901.

The Office is of the opinion that the decision of the Commissioner denying the application for the enrollment of Sarah A. Thompson as an intermarried citizen of the Cherokee Nation is correct and in accordance with the decision of the United States Supreme Court in the case of *Barber and Bird et al. vs. the United States*, and it is recommended that it be affirmed.

Very respectfully,

C. P. Larrabee,

Acting Commissioner.

By Commissioner C. R. Breckinridge: The applicant applies for the enrollment of herself and one child: Her deceased husband is identified on the rolls of 1880 and 1896, as a native Cherokee: She states that neither he nor she were married prior to their marriage in 1883. The fact of her marriage is established by the roll of 1896, and by the copy filed herewith of the decree of divorce from her alleged husband, under date of April 25th, 1892. It appears that they lived together some five years, then separated, which separation was followed several years afterwards by the decree of divorce. She has lived in the Cherokee Nation ever since her marriage to her Cherokee husband, and it does not appear from the testimony that in any of the proceedings relating to the separation from her husband she can be considered to have abandoned him. The Cherokee Representative present expresses himself as being somewhat familiar with the case, and he does not contest upon that ground. She will be listed now for enrollment as a Cherokee by adoption. She states that she has not remarried since her separation from her husband. Her child, Andrew V. Jordan, a minor, is living with her and is identified on the roll of 1896. He will be listed for enrollment as a Cherokee by blood.

The undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

Tahlequah, I. T., October 7, 1902.

SUPPLEMENTAL TESTIMONY AND PROCEEDINGS in the matter of the application for the enrollment of MARY L. JORDAN as a citizen by intermarriage of the Cherokee Nation.

MARY L. JORDAN, being first duly sworn, and being examined, testified as follows:

BY COMMISSION: What is your name? A Mary L. Jordan.
Q How old are you? A Forty-four.
Q What is your post office address? A Tahlequah.
Q Are you a white woman? A Yes sir.
Q Have you heretofore made application to this Commission for enrollment as a citizen by intermarriage of the Cherokee Nation?
A Yes sir, I enrolled before the Dawes Commission at Tahlequah.
Q What is the name of your husband? A Joseph M. Jordan.
Q Is he living? A No sir, he has been dead a good many years, about four years, I think.
Q Was he a Cherokee by blood? A Yes sir.
Q Do you claim your right to enrollment by reason of your marriage to him? A Yes sir.
Q When were you and he married? A In 1883.
Q Were you married here in the Cherokee Nation? A Yes sir.
Q Did you and Joseph M. Jordan live together continuously until the date of his death? A No sir, I was divorced from him.
Q Did you sue him for the divorce? A He sued me and it was compromised. Lawyer Hastings compromised it, he was my lawyer.
Q What were the grounds that he alleged in his complaint? A He got him another woman. I was sickly, and he got him another woman and sent me off.
Q While you and he were living together, did you own your improvements at that place? A Yes sir, he had a farm.
Q Did you and he live on that farm? A Yes sir.
Q When you separated, who continued to live on that farm? A He lived on that farm, and I never got anything but the horse they promised. My father said if he would give me the youngest child he could go. My father promised, him, rather than have trouble, if he could give me the baby, he could have the oldest child. He had the boy, and I had the little girl, but she died. My father compromised this case. He said then, after the little girl died--he come to me one day--he kept the other boy. We just compromised. Lawyer Hastings then fixed the matter up.
Q Were you married on the place where you and he were living?
A Yes sir. I went and lived with my father then for a good many years.
Q What caused you to leave that place? A Because I didn't live with him. After I got the child I was satisfied to stay away from him.
Q What cause did he give you for leaving? A He gave me a bad disease.
Q You state that your husband was living with another woman. Was that before or after you left the place? A I had heard he was about to take her up. He told me, and I read a letter that he wrote to her.
Q Was that before you left him? A Yes sir, I read the letter that he wrote to the woman, and I got the letter and burned it up before I left him. Then he went and got the woman and lived with her, and got the preacher to marry them without getting any divorce from me.

Q Had you left him before he lived with any other woman? A He had not brought anyone in home, but he would go off and stay a week at a time, and say that is where he would be? A I could not say what he was doing when he was out of sight. He never brought anyone in until after I left home.

Q Don't you know the grounds that he alleged in his complaint against you? A I know what I told him. Yes sir, I know. I told him of course. I was very sick.

Q He sued you for divorce? A Yes sir, when I got sick and could not do anything, he went off and said he was going to get him another woman.

Q Did he sue you on the ground of desertion? A He sued me for divorce, I don't know whether it was for desertion or not. I don't know whether he did or not. I don't know how that was. I reckon he did, I don't know. Lawyer Hastings can tell you, he can tell you all about it. He was my lawyer, and he was witness for me before the Dawes Commission. I had him for a witness. He knows all about it. Mr. Rasmus down here, he knows about it, lawyer Rasmus, and Cornelius Boudinot.

Q At the time you made application for enrollment, were the facts as to your divorce gone into thoroughly, did you ~~make~~ introduce testimony in regard to your divorce when you made application for enrollment? A Yes sir, I had our divorce papers. They have got my divorce papers. Lawyer Hastings was right there, and I produced the papers and gave them to him. Lawyer Hastings was right there, and if he was here he could tell you all about it.

Q How long has Joseph M. Jordan been dead? A It is five years, I believe, this month, the 15th of this month, I believe.

Q Have you remarried since you separated from him? A No sir, I have not.

Q Were you ever married before you married him? A No sir.

Q Was he ever married before he married you? A Not that I know of. He was raised in Texas, but I don't believe he was. I was not acquainted with him but about three years--

Q He was your first husband, and so far as you know you are his first wife? A Yes sir.

Q You have never lived with any other man since you and he separated? A No sir, I have not.

Q Have you resided in the Cherokee nation continuously since your marriage to him? A Yes sir.

Q Did he reside in the Cherokee Nation continuously until the time of his death? A Yes sir.

Q You made application for the enrollment of one child, you state? A Yes sir.

Q Is that child living at present? A Yes sir.

This testimony will be filed with and made a part of the record in the matter of the application for the enrollment of Mary L. Jordan as a citizen by intermarriage of the Cherokee Nation, Cherokee straight card field No. 6048.

Wm. Hutchinson, being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of the stenographic notes thereof.

The applicant is identified on the roll of 1880 as a native Cherokee. Her name seems to have been omitted from the roll of 1894, but she is identified on the roll of 1894 under a variation, but with the members of her family. She has lived in the Cherokee Nation all her life. There appears no reason why her name should not be on the roll of 1894, and she will now be listed for enrollment as a Cherokee by blood.

DEPARTMENT OF THE INTERIOR,
OFFICE OF INDIAN AFFAIRS,
WASHINGTON.

February 14, 1907.

The Honorable,

The Secretary of the Interior.

Sir:

On January 19, 1907, the Office transmitted the decision of the Commissioner to the Five Civilized Tribes relative to applications for the enrollment of Frank Howard, et al, as citizens by intermarriage of the Cherokee Nation. The decision includes the applications of seventy-two persons found by the Commissioner to be not entitled to enrollment under the decision of the Supreme Court of the United States in the case of Daniel Red Bird, et al, against the United States.

It appears from the record in the case that the names of all of the applicants are found on the authenticated 1880 roll of citizens of the Cherokee Nation, and the Office in transmitting the record did not consider this phase of the case. On January 11, the Department was requested to return the record in the case for further consideration by the Office.

It was returned with Department letter of February 6, 1907,

L.T.D. 1390.

With reference to the names of these applicants being on the 1880 roll Mr. Bixby says:

THE HONORABLE JUSTICE SAID: That the names of said persons appear upon the Cherokee authenticated roll of 1880; that they possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875.

As the applicants were not married to citizens by blood of the Cherokee Nation in accordance with the laws, usages and customs of the tribes prior to November 1, 1875, they are not entitled to enrollment, unless it be by virtue of their names being on the 1880 roll. By the provisions of section 21 of the Act of June 25, 1896 (30 Stat.L., 495), the roll of Cherokee citizens of 1880, not including freedmen, is confirmed, and the Commission is directed to enroll all persons whose names are found on that roll and their descendants born since the date of the roll. It is then provided that other rolls shall be examined and that the names of all persons found on the other rolls not placed thereon by fraud or without authority of law shall be enrolled.

The only question in the case seems to be whether a confirmation of this roll by Congress entitles a person whose name appears on said roll to enrollment as a citizen of the Cherokee Nation who would not otherwise be entitled to such enrollment.

The Supreme Court in the case of *Wagfire vs. the United States* (154 U.S., 657), said :

--4--

From the foregoing quotations it is evident that the Supreme Court makes a distinction between citizens having political rights only and those having all rights, including the right to share in the distribution of the land and other property of the Cherokee nation. This being true, it is evident that Congress did not intend that any person should be given the right to share in the property of the Cherokee Nation simply because his name was on some roll of that nation that had been confirmed by Congressional action unless it is there as a full citizen and not as a citizen with political rights only.

The Office is of the opinion that the persons whose names appear in the record enclosed are not entitled to enrollment as citizens by intermarriage of the Cherokee Nation, and the approval of the Commissioner's adverse decision is recommended.

Very respectfully,

C. F. Larrabee,
Acting Commissioner.

Washago, Indian Territory.

Sir:

On February 14, 1907 (Land 12493), the Indian Office transmitted your report dated January 10, 1907, in the matter of the applications for the enrollment of Frank Howard and seventy-two other as citizens by intermarriage of the Cherokee nation, together with your decision, adverse to said applicants.

The Indian Office concurs in your recommendation. A copy of its letter is inclosed.

It appears that the names of said persons appear upon the Cherokee authenticated roll of 1860 and that they possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1878.

In view of the decision of the Supreme Court of the United States dated November 5, 1906, in the case of Daniel Red Bird et al. vs. the United States, it is considered that your deci-

also, adverse to these persons, is correct, and it is hereby
affirmed.

The papers in the case and a carbon copy heretofore have been
sent to the Indian Office.

Respectfully,

Thos Ryan,

First Assistant Secretary.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to transmit a report from Commissioner Bixby, dated September 25, 1905, forwarding a copy of the testimony in the matter of the application of James L. Guinn, for the enrollment of himself as a citizen by intermarriage, and his wife, Mary Guinn, and children, Beatrice, Alma L., Charles E., James L. Jr., William S., Almon May, Bessie, and Myrtle, as citizens by blood of the Cherokee Nation.

The Commissioner refers to schedule No. 15 of the citizens by blood of the Cherokee Nation, heretofore approved by the Department, and states that the sex of Alma L. Guinn, appearing thereon opposite No. 14440 should be male instead of female, and therefore recommends that the copies of this schedule retained by the Department and this Office be corrected so that the sex of Alma L. Guinn, opposite No. 14440 will so appear, and that in the column marked "Sex," the letter "M" be made to appear instead of the letter "F," and that he be authorized to make similar correction on the

copies in his possession.

The copy of the testimony and the Commissioner's report,
are herewith enclosed, and I concur in his recommendation.

Very Respectfully,

C. F. Larrabee,

October 12, 1905.

Commissioner to the Five Civilized Tribes,
Muskogee, Indian Territory.

Sir:

September 25, 1905, you recommended that the approved schedule of citizens by blood of the Cherokee Nation be corrected so that the sex of Alma L. Guinn, opposite No. 14440, will appear thereon as male instead of female, it appearing from the testimony of James L. Guinn, the father of Alma L. Guinn, taken February 20, 1905, that such change is necessary.

Reporting October 7, 1905, the Indian Office concurs in your recommendation.

The Department has made such change upon the part of said schedule in its possession, and has requested the Indian Office to do the same. You are authorized to make such correction upon the proper schedule in your office.

Respectfully,

Commissioner Breckinridge:

The applicant applies for the enrollment of himself, his wife and two children. His wife is identified on the rolls of 1880 and 1896 as a native Cherokee. Her change of name is established by the marriage license and certificate filed herewith. She has lived in the Cherokee Nation all her life, and she will be listed for enrollment as a Cherokee by blood. When certificates of birth are filed of the two children, Mamie and Buff, they also will be listed for enrollment as Cherokees by blood. The applicant is a white man. He is identified on the roll of 1896. He is shown to have married his wife in accordance with Cherokee law in August 1896. Neither was previously married, but his marriage is too late under Cherokee law of Dec. 18 1896 to entitle him to enrollment at this time, and therefore, the application for his own enrollment is rejected.

Q Give me the name of your mother. A Sarah A.
Q Is she dead? A No sir.
Q Let me see your certificate of enrollment of North Carolina Cherokees.
The applicant presents an official copy of the records of the Cherokee Nation showing that he is enrolled among the North Carolina Cherokees, who removed to the Cherokee Nation under act approved Dec. 1, 1880. This is recognized as official evidence of his admission at that time, and it is filed with this case.
Q Give me your present wife's name. A Linda O.
Q How old is she? A She's 17.
Q When did you marry her? A Last October, 1899; a year ago.
Q She's lived with you ever since she married you? A Yes sir.

The applicant presents an official copy of a decree of divorce between himself and his former wife, Maud Thompson, the same being granted by the United States Court sitting at Tahlequah, but it does not state the date when the decree was rendered. The case is No. 178. This is filed herewith.
Q When was that divorce granted? A Last September a year ago.
Q Granted about a month before your present marriage? A Yes sir.
Q Your present wife has lived with you ever since you were married to her? A Yes sir.
Q Give me the name of your child? A Laura.

Q When was this child born? A In September after we were married.
Q In September, 1897? A Yes sir.
Q You were married in June, 1897? A Yes sir.
1896 roll; page 1284, 13304, William E. Thompson, Tahlequah district.
Q It seems that you only lived with your wife three months after your marriage? A Yes sir.
Q And you as a man have put her away for highly irregular conduct on her part? A Yes sir.

Commissioner Breckinridge-

The applicant applies for the enrollment of himself, his wife and one child; the child being by a former wife. He is identified as having come to the Cherokee Nation with the North Carolina Cherokees in 1866, and he has lived here ever since. He is also identified on the roll of 1896. He will now be listed for enrollment as a Cherokee by blood. His present wife is shown to have married him in October, 1899. He files a decree of divorce from his former wife, which he states occurred in September, the same year of his present marriage. The decree, however, is without date. In any event, his present marriage is too late under Cherokee law of Dec. 16, 1895 to entitle his present wife to enrollment, and therefore, the application for her enrollment is rejected. He files a license and certificate of marriage as relates to his first wife, Maud, who is shown to have been married to him on the 26th of June, 1897. He states that the child was born in September of the same year, and it appears from the decree of divorce filed in this case, that she was put away for immoral conduct. Clearly, this child cannot be considered as a lawful child, entitled to enrollment at this time, and therefore, the application for the enrollment of his child is rejected.

H.C. Rothenberger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he reported in full the testimony and proceedings in the above case, and that the foregoing is a full, true and correct transcript of his stenographic notes in said case.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Inda O. Thompson as a citizen by intermarriage of the Cherokee Nation and for the enrollment of her child Laura Thompson as a citizen by blood of the Cherokee Nation.

D E C I S I O N .

The record in this case shows that on December 4, 1900, William R. Thompson appeared before the Commission at Tahlequah, Indian Territory, and made application for the enrollment of himself and his child, Laura Thompson, as citizens by blood of the Cherokee Nation, and for the enrollment of his wife, Inda O. Thompson, as a citizen by intermarriage of the Cherokee Nation. The said William R. Thompson has been differently classified and is not embraced in this decision. Further proceedings were had in the matter of this application at Tahlequah, Indian Territory, on November 29, 1901.

The evidence shows that Inda O. Thompson, a white woman, was married in October, 1899, to William R. Thompson, a citizen by blood of the Cherokee Nation.

Section 21, of the Act of Congress approved June 28, 1898 (30 Stats., 495) provides for the enrollment of Cherokee citizens, "with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

Section 11, of the same Act shows that said rolls are to contain the names of those only who are entitled to share in the lands of the Cherokee Nation, and is as follows:

"That when the roll of citizenship of any one of said nations or tribes is fully completed as provided by law, and the survey of the lands of said nation or tribe is also completed, the Commission heretofore appointed under Acts of Congress, and known as the 'Dawes Commission', shall proceed to allot the exclusive use and occupancy of the surface of all the lands of said nation or tribe susceptible of allotment among the citizens thereof, as shown by said roll, giving to each, so far as possible, his fair and equal share thereof, considering the nature and fertility of the soil, location, and value of same; . . ."

An Act of the Cherokee National Council approved December 16, 1898, provides:

"That from and after the passage of this Act, all non-citizens who may marry Cherokees by blood, Delawares or Shawnees by blood, citizens of the Cherokee Nation, shall acquire by such marriage, no rights of property, lands or money, belonging in common to the Cherokee people or Cherokee Nation, and Chapter XII, Article XVI, Sections 659 to Sec. 669, inclusive pages 389 to 394 of the Compiled Laws of the Cherokee Nation, is hereby amended (so) as to conform to the provisions of this Act, and to vest no other than political rights in persons not of Cherokee, Delaware or Shawnee blood, who may marry Cherokees by blood, Delawares, or Shawnees by blood, who are recognized citizens. And all laws or parts of laws conflicting herewith, are hereby repealed."

Laura Thompson is the issue of a marriage between the said William R. Thompson and a former wife, Hena, to whom he was married in June, 1897. The said Laura Thompson was born in September, 1897, but being born in wedlock she takes the status of her father, William R. Thompson. She is identified by a birth affidavit on file with this

She is identified on the roll of 1898, is said to have lived in the Cherokee Nation all her life, was a widow prior to 1880, and seems to have been omitted from that roll. No doubt is entertained, however, as to her right to enrollment, and she will now be listed for enrollment as a Cherokee by blood.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

Muskogee, Oklahoma, May 4, 1910.

To Mrs. Peggie Hair,

Care of Wilson Hair,

Hulbert, Oklahoma.

Evidence has been secured by this office showing that your sister, Ella Sears, whose name appears on the roll of Cherokee citizens by blood opposite No. 28246, died in the year 1901.

The act of Congress of July 1, 1902 (32 Stats., 716), contains the following provision:

"That no allotment of land or other tribal property shall be made to any person, or to the heirs of any person, whose name is on said roll and who died prior to the first day of September, nineteen hundred and two. The right of such person to any interest in the lands or other tribal property shall be deemed to have become extinguished and to have passed to the tribe in general upon his death before said date, and any person or persons who may conceal the death of anyone on said roll as aforesaid for the purpose of preventing by said concealment, and who shall knowingly receive any portion of any land or other tribal property or of the proceeds so arising from any allotment prohibited by this section, shall be deemed guilty of a felony, and shall be prosecuted against as may be provided in other cases of felony, and the penalty for this offense shall be confinement at hard labor for a period of not less than one year nor more than five years, and in addition thereto a forfeiture to the Cherokee Nation of the lands, other tribal property, and proceeds so obtained."

You are, therefore, notified that within thirty days from date of service of this notice you may appear at this office, if you so desire, to show cause why recommendation should not be made to the Department of the Interior that the following notation be placed opposite the name of Ella Sears on the approved roll of Cherokee citizens:

Died prior to September 1, 1902;
not entitled to land or money.

Enrollment of Ella
Sears, Cherokee.

The Honorable

Secretary of the Interior.

Sir:

I have the honor to transmit herewith record of proceedings had in the matter of the determination of the date of death of Ella Sears, a citizen by blood of the Cherokee Nation, enrolled opposite No. 22244. No documentary evidence fixing the date of this death was found, but it appears to be conclusively established from the testimony of one witness that Ella Sears died about the time of the birth of a step-daughter, who, it appears, was born in 1901, and that of another witness who fixes the date by its proximity to the date of death of her husband, who, according to the record in her possession, died on November 3, 1902. This is corroborated by the testimony of Faggie Hair, sister and only heir of Ella Sears, deceased, who states that her sister died in the fall of 1901, at the Cherokee Orphan Asylum, and fixes this date by her recollection that she was also at the Orphan Asylum and stayed there two years after her sister died, up to the time when the Orphan Asylum burned, which

-2-

can be shown by the records of the Indian Office occurred in 1903.

In view of these facts, I have the honor to recommend that authority be granted to place the following notation upon all copies of the approved roll of the Cherokee Nation opposite No. 28246:

Died prior to September 2, 1902;
not entitled to land or money.

On August 26, 1903, an allotment of land was made to Ella Sears, such allotment having been made by this office and not at the request of any person interested in the case. The question of the date of her death arising soon thereafter, no certificates or deeds were issued, and I respectfully request authority to cancel this selection.

Respectfully,

The Honorable

The Secretary of the Interior.

Sir:

I have the honor to transmit herewith a report of January 9, 1911, from the Acting Commissioner to the Five Civilized Tribes relative to the death of Ella Sears, whose name appears opposite No. 28246 on the final approved rolls of citizens by blood of the Cherokee Nation.

It is shown by the enclosed papers that Ella Sears died prior to September 1, 1902, and therefore, under the provisions of Section 31 of the Act of Congress approved July 1, 1902 (32 Stat. L., 716), neither she nor her heirs were entitled to have made to them any allotment of land or other tribal property. The Office therefore recommends that on the final approved roll of citizens by blood of the Cherokee Nation, opposite the name of Ella Sears at No. 28246, there be placed the notation.

"Died prior to September 1, 1902;
not entitled to land or money,"

and that this Office and the Commissioner to the Five Civilized Tribes be authorized to make a similar notation on

L-3064-2

the copies of the roll in their possession. The Office further recommends that the Commissioner to the Five Civilized Tribes be authorized to cancel the allotment selection made for Ella Sears.

DEPARTMENT OF THE INTERIOR,
OFFICE OF INDIAN AFFAIRS,
WASHINGTON.

February 14, 1907.

The Honorable,

The Secretary of the Interior.

Sir:

On January 19, 1907, the Office transmitted the decision of the Commissioner to the Five Civilized Tribes relative to applications for the enrollment of Frank Howard, et al, as citizens by intermarriage of the Cherokee Nation. The decision includes the applications of seventy-two persons found by the Commissioner to be not entitled to enrollment under the decision of the Supreme Court of the United States in the case of Daniel Red Bird, et al, against the United States.

It appears from the record in the case that the names of all of the applicants are found on the authenticated 1880 roll of citizens of the Cherokee Nation, and the Office in transmitting the record did not consider this phase of the case. On January 31, the Department was requested to return the record in the case for further consideration by the Office. It was returned with Department letter of February 6, 1907, I.T.D. 1390.

With reference to the names of these applicants being on the 1880 roll Mr. Bixby says:

THE RECORDS FURTHER SHOW That the names of said persons appear upon the Cherokee authenticated roll of 1880; that they possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1878.

As the applicants were not married to citizens by blood of the Cherokee Nation in accordance with the laws, usages and customs of the tribes prior to November 1, 1878, they are not entitled to enrollment, unless it be by virtue of their names being on the 1880 roll. By the provisions of section 21 of the Act of June 28, 1896 (30 Stat.L., 495), the roll of Cherokee citizens of 1880, not including freedmen, is confirmed, and the Commission is directed to enroll all persons whose names are found on that roll and their descendants born since the date of the roll. It is then provided that other rolls shall be examined and that the names of all persons found on the other rolls not placed thereon by fraud or without authority of law shall be enrolled.

The only question in the case seems to be whether a confirmation of this roll by Congress entitles a person whose name appears on said roll to enrollment as a citizen of the Cherokee Nation who would not otherwise be entitled to such enrollment.

The Supreme Court in the case of *Hefire vs. the United States* (164 U.S., 607), said :

(Syllabus)

The fact that a marriage license has been issued carries with it a presumption that all statutory prerequisites thereto have been complied with, and one who claims to the contrary must affirmatively show the fact.

.....
The evidence shows that the deceased sought, in his lifetime, to become a citizen of the Cherokee Nation, took all the steps he supposed necessary therefor, considered himself a citizen, and that the Cherokee Nation in his lifetime recognized him as a citizen and still asserts his citizenship. Held, that, under these circumstances, it must be adjudged that he was a citizen by adoption, and consequently that the jurisdiction over the offense charged is, by the laws of the United States and treaties with the Cherokee Nation, vested in the courts of that Nation.

In the case of Daniel Red Bird, et al, vs. the United States the Supreme Court said:

The roll of 1860, made by the Cherokees, was a census roll, and its confirmation was not intended to create any rights which citizens of the Cherokee Nation had not before enjoyed, but merely to furnish the basis for making up the roll of citizens. Section 21 was in reality a statement that no previous act of Congress was intended to confirm any other roll of the Cherokee Nation.

.....
Section 21 of the Act of July 1, 1868, says that no person whose name does not appear on the roll made by the Commission to the Five Civilized Tribes "shall be entitled to in any manner participate in the distribution of the common property of the Cherokee Tribe, and those whose names appear thereon shall participate in the manner set forth in this act." In other words, the roll must be made up of citizens who under the laws of the Cherokee Nation were entitled to participation in the distribution of the common property of the Cherokee tribes.

The concluding words of section 21, "with such intermarried white persons as may be entitled to citizenship under Cherokee laws," emphatically indicate that Congress had the Indian citizen in mind in all that went before and limited enrollment of white persons to such as might be entitled to citizenship under Cherokee laws.

-6-

From the foregoing quotations it is evident that the Supreme Court makes a distinction between citizens having political rights only and those having all rights, including the right to share in the distribution of the land and other property of the Cherokee Nation. This being true, it is evident that Congress did not intend that any person should be given the right to share in the property of the Cherokee Nation simply because his name was on some roll of that nation that had been confirmed by Congressional action unless it is there as a full citizen and not as a citizen with political rights only.

The Office is of the opinion that the persons whose names appear in the record enclosed are not entitled to enrollment as citizens by intermarriages of the Cherokee Nation, and the approval of the Commissioner's adverse decision is recommended.

Very respectfully,

G. F. Harvath,
Acting Commissioner.

Sir:

On February 14, 1907 (Land 12493), the Indian Office transmitted your report dated January 10, 1907, in the matter of the applications for the enrollment of Frank Howard and seventy-two other as citizens by intermarriage of the Cherokee nation, together with your decision, adverse to said applicants.

The Indian Office concurs in your recommendation. A copy of its letter is inclosed.

It appears that the names of said persons appear upon the Cherokee authenticated roll of 1880 and that they possess no right to enrollment as citizens of the Cherokee nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875.

In view of the decision of the Supreme Court of the United States dated November 5, 1906, in the case of Daniel Red Bird et al. vs. the United States, it is considered that your (such

George Givena 2.

The applicant applies for the enrollment of himself, wife and six children. His wife is identified on the 1880 and 1896 roll as a native Cherokee. She has lived in the Cherokee Nation all her life, and she will be listed for enrollment as a Cherokee citizen by blood. Of the six children, the first four are identified on the 1896 roll, they are living now and will be listed for enrollment as Cherokees by blood. When the Commission is supplied with certificates of birth as to the two youngest children, Blanche G. and George W., they also will be listed for enrollment as Cherokees by blood. The applicant presents a license and certificate of marriage to his wife under date of 1893. He states that neither he nor she were ever previously married and that he has lived with his wife ever since their marriage. He is identified with his wife on the roll of 1896. The marriage license which he presents and which purports to be an official copy, is in conflict with the certificate accompanying it. He is desired to procure from the records a correct copy, as the dates at present cannot be reconciled, his license being dated in March and the certificate in February of the same year. It is believed to be a clerical error. To await the corrected evidence of his marriage he will now be placed on a doubtful card as a Cherokee by intermarriage.

Chas. von Waise being sworn states that as stenographer to the Commission to the Five Civilized Tribes he reported in full all the proceedings in the above cause and that the foregoing is a full, true and correct transcript of his stenographic notes therein.

Mrs. Sarah Price,
Metory, Oklahoma.

Madam:

Evidence has been secured by this office showing that your son, John A. Haller, whose name appears on the roll of Cherokee citizens by blood opposite No. 14511, died on March 20, 1902.

The Act of Congress of July 1, 1902 (32 Stats., 716), contains the following provision:

"That no allotment of land or other tribal property shall be made to any person, or to the heirs of any person, whose name is on said roll and who died prior to the first day of September, nineteen hundred and two. The right of such person to any interest in the lands or other tribal property shall be deemed to have become extinguished and to have passed to the tribe in general upon his death before said date, and any person or persons who may conceal the death of anyone on said roll as aforesaid for the purpose of profiting by said concealment, and who shall knowingly receive any portion of any land or other tribal property or of the proceeds so arising from any allotment prohibited by this section, shall be deemed guilty of a felony, and shall be proceeded against as may be provided in other cases of felony, and the penalty for this offense shall be confinement at hard labor for a period of not less than one year nor more than five years, and in addition thereto a forfeiture to the Cherokee nation of the lands, other tribal property, and proceeds so obtained."

Sarah Price - 2.

You are, therefore, notified that on or before November 13, 1909, you may appear at this office, if you so desire, to show cause why recommendation should not be made to the Department of the Interior that the following notation be placed opposite the name of John A. "Died prior to September 1, 1902; not entitled to land or money."

Respectfully,

RM (LBA)

Registrar.

(Registry receipt No. 20424 signed by Sarah Price returned to this office.)

Muskogee, Oklahoma, November 19, 1902.

Subject:
 Enrollment of John
 A. Haller - Cherokee.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to bring to the attention of the Department the case of John A. Haller, a citizen by blood of the Cherokee Nation whose name appears opposite No. 14511 on the approved roll of such citizens.

It appearing that no application to select an allotment in the Cherokee Nation for this citizen had been made, an investigation was begun to ascertain whether or not he was living, and if dead, the date of his death.

On July 9, 1902, Sarah Price, mother of John A. Haller, testified that her said son died on March 20, 1902, confirming this statement by reference to a record kept by her showing that he was born on February 1, 1880, and died March 20, 1902, at the age of 22 years, 2 months and 20 days.

On the same date Susie Cordrey, a neighbor, testified that she was acquainted with Sarah Price and her son, John A. Haller, and that the latter died on March 20, 1902.

Secretary - 2.

On October 13, 1900, Sarah Brice, mother of John A. Haller, was notified by registered mail of the information secured by this office relative to the date of the death of her son and of the provisions of Section 31 of the act of Congress approved July 1, 1900 (32 Stat., 716), that no person whose name was on the roll of Cherokee citizens and who died prior to September 1, 1902, was entitled to an allotment of land or other tribal property, and advised that she might within a stipulated time appear at this office to show cause why reconsideration should not be made to the Department that a notation be placed on the roll showing that the said John A. Haller was not entitled to participate in the distribution of the tribal property of the Cherokee Nation. The receipt of this notice is evidenced by the return of the registry receipt properly signed, but no response thereto has been received.

The record in this case showing conclusively that John A. Haller died prior to September 1, 1902, I have the honor to recommend that the following notation be placed upon all copies of the approved roll of Cherokee citizens opposite the name of John A. Haller, No. 14811:

Died prior to September 1, 1902; not entitled to land or money.

Copies of the record pertaining to the death of this citizen are enclosed herewith.

Respectfully,

The Honorable,

The Secretary of the Interior,

Sir:

There is transmitted herewith a letter of November 19, 1909, from the Commissioner to the Five Civilized Tribes, relative to the enrollment case of John A. Haller, whose name appears opposite No. 14511 on the final approved roll of citizens by blood of the Cherokee Nation.

It is provided in Section 31 of the Act of Congress approved July 1, 1902 (32 Stat. L., 716), that no allotment of land or other tribal property shall be made to any person or to the heirs of any person whose name is on said roll and who died prior to September 1, 1902.

It appears from the inclosed papers that John A. Haller died prior to that date.

The Office, therefore, recommends that on the final approved roll of citizens by blood of the Cherokee Nation in the possession of the Department there be placed opposite the name of John A. Haller at No. 14511 thereon the notation:

Ida B. Chaney, Plaintiff,

Vs

Equity No. 194.

Alfred H. Chaney, Defendant.

Now on this day comes Ida B. Chaney, and states that she is a resident
of the Northern District of the Indian Territory, and has been for one
year next before the commencement of this action, and that she was mar-
ried to the defendant, Alfred H. Chaney, according to the laws of the land
on the 22nd day of May 1890, and that they lived together as man and wife
until a short time previous to the 19th day of November 1893;

Plaintiff further states that on or about the last date mentioned above,
the said Alfred H. Chaney was found guilty of the crime of robbery, be-
fore the Honorable United States Court for the Western District of Arkan-
sas, and sentenced by said court, for said crime, to serve a sentence of
24 years at Brooklyn, N.Y.

Ida B. Chaney, plaintiff, further says that there was born to her and
defendant while living together as man and wife, one child, Florence B.
Chaney, now five years old, for whom plaintiff asks this court to give her
custody.

Plaintiff further states that the crime for which the defendant was con-
victed occurred in the Territory and District above mentioned, and the
cause for divorce existed within five years next before the commence-
ment of this suit.

Wherefore plaintiff asks that the bonds of matrimony heretofore exist-
ing between herself and defendant be dissolved and set aside and that
she be granted an absolute divorce, and judgment be so rendered, together
with all costs of this suit.

Ida B. Chaney, Plaintiff.

Filed this Feb. 28, 1898.

all her life and she will be listed for enrollment as a Cherokee by blood.

She claims that her husband married her in accordance with Cherokee law eight years ago, but is unable to produce record to license and certificate at this time. She states that she was once formerly married but that her former husband was dead at the time she contracted her present marriage, and that her husband was also formerly married, but that his former wife was dead at the time of his present marriage was contracted. He is identified on the roll of 1896 as a Freedman. She states that she and her husband have lived together in the Cherokee nation ever since their marriage. He will now be listed upon a DOUBTFUL CARD for the production of the Cherokee license and certificate, which the applicant states that she has, and also for the further consideration of his rights by intermarriage, it being contended by the Cherokee Representatives that their law does not provide for Freedmen to acquire Cherokee rights by intermarriage.

MADE IN REPLY TO THE FOLLOWING

Cherokee 6102.

Vinita, Indian Territory, January 24, 1903.

The Honorable,

The Secretary of the Interior.

Sir:

Referring to schedule No. 15 of citizens by blood of the Cherokee Nation heretofore forwarded to the Department, the Commission has the honor to report that the name, Nancy Ridge, appearing thereon opposite No. 14551 should be corrected to Nancy Tanner.

On January 23, 1903, testimony was introduced before this Commission showing that in March, 1902, Nancy Ridge was married to Thomas Tanner. Both Thomas Tanner and Nancy Ridge, are full blood Cherokees, and the testimony shows that they were married by a Cherokee preacher, but that no marriage certificate was given to them.

Section 25 of the Cherokee Agreement, proclaimed August 12, 1902, provides that "The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two", and as the correct name of No. 14551 appears to have been Nancy Tanner on that date, the Commission respectfully recommends that the copies of the schedule retained by the Department and in the office of the Commissioner of Indian Affairs be corrected so that the name of

-2-

No. 14551 will appear thereon as Nancy Tanner instead of Nancy Ridge, and that the Commission be directed to make similar changes on the copies of the schedule returned to it.

Respectfully,

Acting Chairman.

Commissioner.

F. A. Hastings

Commissioner.

Commissioner of Indian Affairs.
